

Directions to Aston Village Hall

New Park Lane, Aston, Hertfordshire. SG2 7DY

While most people have satnavs but there's no harm in having some directions as well, especially as my satnav brought me up a little short of the hall. I've included a screen shot below of the area on Google Maps and the hall is marked with a star.

From the A1M (north or southbound) exit at junction 7 and take the A602 towards Stevenage. Continue straight ahead at the first four roundabouts, following the A602.

At the fifth roundabout take the first exit onto Broadwater Lane. Take the second exit at the next roundabout, continuing on Broadwater Lane. You'll then pass Dene Lane and Aston End Road on your left. After this, fork left at the next turning into New Park Lane and you'll see Aston Village Hall a little way down on your left.

If anyone is coming by train and needs a lift from the station do contact me at helen@helenhooker.co.uk and I can see who would be willing to pick you up. I'm not able to give lifts myself as I'm always busy setting things up in the hall before each rehearsal.
